

INFORMATION AND SUPPORT SESSION

Join us to learn about the Ontario Electricity Support Program (OESP).

What is the OESP?

The OESP helps lower-income households in Ontario reduce their electricity bills. If you qualify, a monthly credit is applied directly to your electricity bill.

Who Can Apply?

You can apply for the OESP if you are the account holder with an electricity utility and your household meets the income and size requirements. The amount of the monthly credit depends on how many people live in your home and your total household income after taxes.

What You Need to Apply:

1. A recent electricity bill
2. Names and birthdates of everyone in your household
3. Social Insurance Numbers for all household members who file taxes

When: Monday, November 3, 2025, from 11:00am – 1:00pm

**Where: The Falls Food Hub Community Meal at
Hanley Hall, 30 McGill St. N, Smiths Falls**
